The Crucible Youth Program exposes youth of diverse backgrounds to the fine and industrial arts. Through intensive and engaging programs such as classes, fieldtrips, and workshops, this program explores multidisciplinary subject areas. The Crucible Youth Program is committed to community service within our schools and neighborhoods. We are dedicated to promoting healthy youth development, strengthening youth competencies in leadership, community service and skill building. We provide safe and imaginative fine and industrial art experiences. In order to make The Crucible accessible to all students from the Bay Area, The Crucible offers reduced-rate and fee-waived programs.
