What

Come be a critical part of The Crucible's most treasured event—the Fire & Light Soirée. We are thrilled to bring back our signature fundraising event filled with art and fire—and celebrate the transformative power of the industrial arts for students of all ages and backgrounds!

For one night only, the gardens at OMCA will transform into a sparkling outdoor ballroom with demonstrations, artwork, music, and fire. We are pulling out all the stops with signature cocktails, a great meal, a terrific art auction, exciting live entertainment, and fiery live demos. Help us raise over \$250,000 so that we can ensure all young people have access to The Crucible's Industrial Arts Education Programs, regardless of family income.

Why

Since The Crucible first opened its doors twenty-three years ago, making the transformative power of the industrial arts available to everyone has been our mission. As the largest nonprofit industrial arts education facility in the United States, we welcome students of all ages and backgrounds to experience industrial arts and foster creativity, entrepreneurship, and economic development here in Oakland.

Your support of Soirée allows us to fund scholarships and other programs, such as the Fuego Youth Leadership Program, Community Bike Programs, and our expanding school partnerships for more than 100 young people ages 8-18. We need your help to offer amazing and accessible programs throughout the year. Be a sponsor of our Industrial Arts work and help us fulfill our mission as we gather in person for one special night!

About The Crucible

The Crucible inspires creative exploration and expression through welcoming, hands-on arts education and experiences for people of diverse ages and backgrounds. As an innovative hub built around the industrial arts, The Crucible is a catalyst for individual growth and vibrant community connections.

A leader in the Bay Area arts community, The Crucible is widely recognized for its exceptional learning experiences, rich and varied arts programs, skilled and committed faculty, and unparalleled educational facilities. Partnering with over 45 Bay Area schools, The Crucible offers high-quality, transformative skills in welding, glass blowing, machine shop, and more to young people and adults, regardless of income level.
